

Message from our Director

FEBRUARY 2023

Thank you for all our parent participation in all the new updated paperwork including exciting menu change! We know that there has been a lot of it in the last month. We are looking forward to 2023 and are also encouraging parents to share hobbies or skills in the classroom. If you would like to participate or share something you think our LPW kiddos would be interested in, please stop by the office. We are starting a parent interest sheet and would love to get some visits on our schedule. We can't wait to see what our LPW parents bring into the center.

Love, Miss Jenee

Upcoming Events

*Heart Party- Tuesday 2/14 we will be celebrating our friendships that we have made here at LPW. Parents are welcome to send Valentine's and sign up for center approved classroom treats.

Supporting Your Child's Development. One Step at a Time...

We are requesting Families to turn in All About Me Photos! It's wonderful to have these photo sheets for our children to look at throughout their day at the center. Children love to see their families and share with friends and show them the important people in their lives. Print out templates will be in the lobby for parents to take home.

Focus on Fun

February is Black History Month. Classrooms will be bringing in activities to share the contributions our friends in black culture have given us. If you would like to participate and share your knowledge, please stop by the office.

Songs & Signs

"IF YOU LOVE ME AND YOU KNOW IT"

If you love me and you know it clap your hands.
If you love me and you know it clap your hands.
If you love me and you know it..and your face will surely show it.
If you love me and you know it. Clap your hands.

Elementary School Schedules & Closures

- *2/20- CLOSED for President's Day
- * Seattle Public School is out 2/20 and 2/21.

Featured Photo

Babies in boxes reading books!
We will read here or there,
We love to read anywhere!

Play...Teach...Love

This month, we asked Ms. Sara our Chef:

- What do you love about working with children?

I love it when they develop new ideas. Seeing them make connections is amazing. They develop theories and opinions so quickly and its fun to challenge these ideas and see if they change

- Do you have any favorite dishes you like to create with kids?

I love trying new foods with kids. One November we had a pumpkin hanging out on the counter with a sign saying I am snack on Friday. Then we had pumpkin bread made from that pumpkin. The connection between a Jack-o-lantern shape and a food was amazing to see in their faces.

Featured Craft

Apple Grove on learning about Fire Safety.
One of their Activities was painting paper shirts with colors of fire.

Happy Anniversary!

Help us celebrate the following educators! They have worked so hard. Happy Anniversary!!!

Miss Christina- 13 years!!!

Miss Janice- 3 years!!!

Both teachers work in our toddler program in our Discovery classroom! Thank you for your dedication to ECE and what joy you bring our kiddos on a daily.

HAPPY ANNIVERSARY
