

Message from our Director

Hello Bellevue Families,
 Happy New Year! This year I am forgoing resolutions and instead focusing on reflections of what I wish the new year would bring. By asking myself questions like. What brings you the most joy and how are you going to so more of that? And what would you try if you knew that you could not fail? I am focusing on what is most important. It is with this in mind that I welcome you all to what I hope will be a time of growth and gratefulness for us here at LPW Bellevue.

Supporting Your Child's Development. One Step at a Time...

- Infant coach, Evette Ramos is presenting a GLE class for our infant, waddlers, and toddler teachers (Our sister centers included).
- On our In-Service day we will be doing a portfolio review from 2-4pm (sign-up sheet in classrooms).

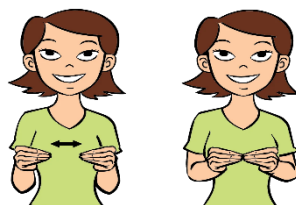

Focus on Fun

In our center we are celebrating Human Rights and Unity week. To honor these celebrations our curriculum is focused on teaching children international song and dance. Most of our teachers first language is Spanish which gives the children the opportunity to learn basic Spanish words. For example, agua (water), leche (milk), and gracias (thank you).

Play...Teach...Love

Children are the future of this world, given the opportunity to support, teach and guide them in their early years is crucial. Our focus is to have children learn as they play by creating interactive activities. For example, BINGO, matching, and memory games. These activities educate children about instructions, following rules, and taking turns.
