

Message from our Director October 2023

October is a fun month at Lil' People's World! This is when we start getting into our fall groove, the change of season and shortened days. During this month we will be asking for immunization records updates, and updating our food program enrollment (also referred to as IEA's) All families will be required to update both of these records. If you have any questions about these, please ask in our office.

This is also the beginning of cold and flu season. Please refer to our Keep Me Home if... signs to base decisions on keeping your child at home. If you have any questions about if your child should stay home sick or not, please call the center and we will guide you through. At the center we take extra steps to keep the classrooms clean so we can all stay healthy this fall.

Upcoming Events

October 20th: In-Service Day
3pm-6pm
Family Multicultural potluck
and
Costume Party

October 31st: Fall Party!! Come in your favorite pajamas, and celebrate fall!

Supporting Your Child's Development. One Step at a Time...

This month we will be hosting a family potluck on October 20th, the same day as our In-Service Day. At this time we will also be making a little time to go over the portfolios. There is updated information about how your child is developing.

This will be a fun event where we can all learn more about our own culture, as well as each others. We are also encouraging costumes, and we (kids, and parents if you choose). This is going to be a fun event and we are looking forward to seeing all of you there!

Fall Multicultural Potluck
Date: October 20th
Time: 3-6

Focus on Fun

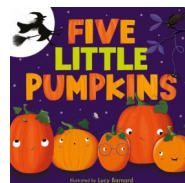

October is the beginning of our fourth quarter for curriculum. This quarter begins with Let's Explore! This is a open-ended topic, we can explore in many ways. From science, fictional characters, and oceans. We are using our imaginations to travel into space, hunt dinosaurs and explore the ocean!

We also can't forget this is the month of pumpkins, corn, hay and corn mazes! We will have a lot of fun making projects and exploring the beginning of the fall season.

Songs & Signs

Five Little Pumpkins

Five little pumpkins sitting on a gate
The first one said "Oh my it's getting late."
The second one said "There are witches in the air!"
The third one said "But we don't care!"
The fourth one said "Let's run and run and run!"
The fifth one said "I'm ready for some fun."
Oooooooooooooo went the wind
and out went the light
And the five little pumpkins rolled out of sight.

Elementary School Schedules & Closures

October 20th Lake Washington School district is closed for a LEAP day.

Lil' People's World is also closed this day for childcare. Please find alternate care for your child.

Soccer Shots!

The children enjoy not only the physical activity, but support each other as a group.

Play...Teach...Love

Play Time!

An advantage to teaching children is that we get to “play”. Our curriculum is developmentally appropriate and play is incorporated into the curriculum. Children learn a lot through play, as they are figuring out their worlds with imagination, social skills, and sensory. It is fun to play with the kids during these times, and help develop their thinking by asking open ended questions about their play. The children come up with some very enlightening answers to questions. We can base our curriculum based on what the children are learning through play.

Happy Anniversary!

Ms. Chelsie

Congratulations Chelsie on one year at Lil' People's World! We appreciate all you do for us!
