Kirkland  
February 2024

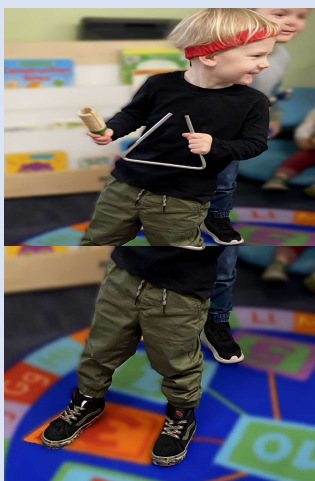

## Message from our Director

February is here! This February is a very special month for us. It is Lil' People's World's 30th Anniversary on February 14th. Our Kirkland location was the first center to open in 1994. We are planning some special activities to celebrate all that has been accomplished, with the thanks to families like you!

Music class with Mr. John is going strong. You can sign up at any time if you would like to have your child participate in a fulfilling music class. We will also be returning to Soccer Shots this spring. We will keep everyone posted when we get more information.

February is also Kindergarten Registration! If your child turns five before August 31<sup>st</sup>, they qualify to start kindergarten in September 2024. Registration will be at your neighborhood school. We are here to help with questions you may have.

## Supporting Your Child's Development, One Step at a Time...

Winter quarter continues with our curriculum, and during this month we will be focusing on staying healthy and safe. The children will be focusing on nutrition and exercise, being healthy, foods and food groups. During this unit we see children trying out new foods, talking and demonstrating healthy habits such as hand washing. We have scheduled a visit from the Kirkland Fire Department for February 22nd, to bring their truck and gear for a fun lesson in fire safety.
