Message from our Director

Hello and welcome to April! April is a busy month in the center with the days getting longer and warmer and the full beauty of spring is here. On April 26th we will be hosting a Multiculture Night family potluck. Please bring a family favorite dish to share in the center. This is a wonderful time to meet the friends your child has made in their classroom. You will also see your child's growth by looking through their portfolio with a one-on-one meeting with his or her teacher. Our employees enjoy this time socializing with parents, showing the children's growth, and just the relaxed and casual environment for the night. We look forward to seeing you at our first parent event of the year. Mark you calendar for April 26th from 5:30-7:30.

Supporting Your Child's Development. One Step at a Time...

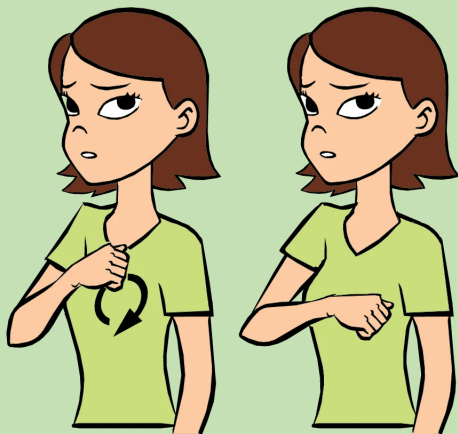

I would like to share information about Kindering Center. Kindering's mission is to embrace children with diverse abilities and their families providing the finest education and therapies, to nurture, hope, encourage and the skills to soar. It is a program that has been around for many years. At our center, they can come observe children that are having a difficult time reaching goals we have for them. This is a collaboration between parents, ourselves, and Kindering. Their observations always give insights to improve our skills as teachers, as well as provide information for parents. You can visit their website at www.kindering.org

Focus on Fun

Let's welcome Webby to Lil' People's World. Webby is our new gymnastic and dance company that comes in every Tuesday, starting March 26th. Each class is 30 minutes, skill building and high energy. There are still spots available for children ages 2-5. For more information, please ask the office. You can visit their website at: www.webbydancecompany.com

Play...Teach...Love

Our teachers enjoy Special occasions and spending these Moments with the kids.

Our Waddler Room team got festive this year for Dr. Seuss Day. The children love seeing the teachers dress up as their favorite characters!

Featured Crafts

Waddler Room's Dr. Seuss Day Art! Red Fish, Blue Fish and The Places You Will Go. Combining art with Reading is a great way to extend Learning and let children express The topic they were learning in a Creative way.

Happy Anniversary!

Happy Anniversary to our Chef, Ms. Haleigh! Ms. Haleigh has been our chef since 2022. She always makes delicious food, and has great Relationships with the children in the center. Haleigh also brings her little guy Eli with her. Thank you, Haleigh, for all the work you do
